

Dear LBC Family,

Here are the guidelines for our weekend worship services. We have been prayerfully assessing all of the regulations and guidelines from the legal authorities on how to best proceed. We believe that we are able to meet these marks and are seeking to go above and beyond to keep everyone as safe as possible. We understand that some may feel that it is best for their family to not attend in person services, that is understandable, we hope you make it a point to join in on the Facebook Live Stream. This service will be a family service and we will do our best to keep it to 60 minutes.

Below you will find guidelines and important information for services during Phase 3 of the Governor's orders.

- Other than our Sunday 10:30am service the building will remain closed.
- The Commons, Sanctuary, Seniors Room, and Fellowship Hall (Children's Church) will be the only areas open on Sunday morning. All other areas of the building will be closed.
- Bathrooms are available for the areas listed above, but we encourage you to use them only if it's an emergency.
- There will be a K5-6th Children's Church time starting July 19. Children will be dismissed to go to the fellowship hall. We ask you to share with your children that they need to stay 6ft apart as they walk down there. Also, please let them know that they will not be able to sit with their friends but by families in the sections of chairs that are separated just like in the sanctuary. At the conclusion of the service parents will need to go downstairs to pick their children up and exit through the external Fellowship Hall doors.
- There will be no nursery during the service.
- We ask that parents always keep their children with them, until dismissed for Children's Church, including in the Sanctuary, Commons, hallways, bathrooms, and parking lot. And pick them up promptly at the conclusion of the service.
- We will not distribute any paper bulletins or sermon handouts to limit spreading of germs.
- We will not pass an offering plate during the service. We encourage you to give as you have been recently or using the offering box in the back of the sanctuary on your way in or out.
- We will prop open doors for you to use to enter and exit the building. The glass double doors at the Common's and Fellowship Hall entrances will be the only ones used. All other exterior doors will be locked.
- No greeters will stand in doorways and all volunteers and LBC staff will maintain a six-foot social distance from others in the assembly. We ask that you maintain this distancing as well both inside the building and in the parking lot. While it's our natural impulse to greet one another with handshakes and appropriate gestures of kindness, we ask you to avoid physical contact with others at this time.
- The governor's order indoor places requires the wearing of face coverings over their nose and mouth at all times. We ask you to follow the governor's order regarding masks.
- Hand sanitizer is available in the Commons for when you enter and exit the building.
- Seating in the Sanctuary is restricted to facilitate 6-foot social distancing in compliance with the governor's restrictions.
- We will dismiss you after the service section-by-section and ask that you make your way out of the church facilities through the open glass doors.
- The governor restricts people who have recently experienced or are currently experiencing sickness from attending. Please check out this [Symptom Chart](#).

God Bless,  
Pastor Ethan
